# Master in Business Administration

Your pathway to an Accredited MBA Programme from  
**UK @ Spectrum**

## TOP UP DEGREE PROGRAMME

Spectrum Education and Training (M) Sdn.Bhd. Top Up Master's Degree programmes are for those who have successfully completed a Level 7 Postgraduate Diploma and want to study further onto the Master in Business Administration programme.

Although a Level 7 Postgraduate Diploma is an excellent qualification in itself, depending on your career ambitions, you may decide that it's worth studying a little longer for a MBA degree. Topping up your Level 7 Qualification will typically take one further 4 to 6 months of study.

There are a number of benefits in topping up your current qualification to an MBA degree. By completing the top up course you will help to demonstrate to an employer that you have the academic, organisational and management skills needed for your chosen career path. Topping up to a degree at MBA level may also open up further opportunities available to you in the future.

#### Programme Description

As an ambitious and driven student, you will have prior work experience to bring to this programme. Our MBA is designed to update your management toolkit and give you a broader and stronger foundation from which to enhance your career. Critically, we take a strategic perspective on business and management that helps you develop the skills needed to contribute to major business decisions

Online MBA courses offer a more comprehensive curriculum than the basic academic course. Tutors will provide practical real-life business problems for you to work on and solve, which will enhance your understanding of how a business works. This means that you will not simply learn about management: you will practise it.

During this course you will:

- a) Develop your existing skills and knowledge to management level
- b) Apply your learning to actual business situations
- c) Gain a strategic perspective on business.

#### Subjects

- 1) Research Methods for Managers
- 2) Dissertation Project
- 3) Marketing Design and Innovation

Programme Duration : **6 - 9 months**

Assessment : **100% Coursework**
